Preface

Wherever Christians gather together to worship and praise God, we sing songs—songs that express our guilt due to sin, our contrition and confession, and our faith, hope and joy of God’s grace and salvation. Throughout history Christians have joined together in singing hymns of praise to a loving God. Lutherans in particular are blessed with a great heritage of Christian music. The Lutheran hymnals commonly used in our American churches today are truly a blessing from our Lord.

The goal of *A Collection of Lutheran Music* is to help Christians praise God with music and song. This Collection of music provides simplified chordbooks, midi files, concordances and audio CDs as supplements to the common Lutheran hymnals and is aimed at increasing the number of people who can enjoy studying, listening to and playing this cherished music themselves.

Hymnal Concordance

A *concordance* is an alphabetical index of all the words in a text or corpus of texts, showing every contextual occurrence of a word. This concordance indexes the hymn stanzas found in the Lutheran hymnal *Lutheran Book of Worship* published in 1978 by Augsburg Publishing House.

The *Lutheran Book of Worship Concordance* is available in two versions. This book is the *Abridged Concordance*. It includes entries for the significant words in the hymnal (excluding common prepositions, pronouns, verbs, and articles). The CD that accompanies the book contains the browser-based *Unabridged Concordance* that indexes all the words that appear in the hymnal and is very convenient for computer use.

The statistics below compare the contents of the *Unabridged* and *Abridged* versions:

- Unabridged Concordance: 4,976 words, 76,665 phrases indexed
- Abridged Concordance: 4,640 words, 35,925 phrases indexed

Each phrase entry in the concordance is preceded by a reference. For example, the entry

506.3.1 Oh, *Sabbath* rest by Galilee,

under the word **SABBATH** has the reference “506.3.1” which means the phrase “Oh, *Sabbath* rest by Galilee,” is found in Hymn 506, Stanza 3, Phrase 1. The abbreviations Ti, Re, or Al shown in some references indicate the word is found in the hymn Title, Refrain, or Alleluia Refrain, respectively.

Media Formats

The *Lutheran Book of Worship* concordance is available in several media formats. The *Abridged Concordance* is available as both a printed book and as an Adobe PDF file (Portable Document Format) that can be downloaded from the Lutheran Music web site. The *Unabridged Concordance* is available on a computer CD accompanying the printed book, or as a ZIP file downloaded from the web site.

Copyrights

In preparing *A Collection of Lutheran Music* for publication every effort has been made to respect the intellectual property rights of the copyright holders. Other than indexing short phrases, neither the *Abridged* nor the *Unabridged* version contains full hymn texts that are under copyright protection.

“Music is an outstanding gift of God and next to theology...I would not give up my slight knowledge of music for a great consideration...and youth should be taught this art...for it makes fine skillful people...I would certainly like to praise music with all my heart as the excellent gift of God which it is and to commend it to everyone.” Martin Luther

Dedicated to the glory of Christ,
