This audio CD collection contains pipe organ music following the order of hymns found in the Lutheran hymnal 'Christian Worship' published by Northwestern Publishing House in 1993.

Each hymn tune is played on a separate track of the CDs as noted on the discography sheets. Hymn tunes which have copyright restrictions have been omitted from this collection. The omitted hymns are listed for completeness, however they show "none" as their track number.

Each tune begins with a short lead-in musical introduction, followed by the stanzas, and concluded with an appropriate "Amen". The melody of each tune is repeated according to the number of stanzas printed in the hymnal. For example, Hymn #29 is on CD-01, Track 28, and repeats the tune melody four times, matching the number of stanzas in the hymnal.
