

Content and Copyrights Summary

Evangelical Lutheran Worship Edition

This document summarizes the content and copyright restrictions for *A Collection of Lutheran Music, Evangelical Lutheran Worship Edition*, a set of products and online services supplementing the Lutheran hymnal *Evangelical Lutheran Worship* (ELW) published by Augsburg Fortress in 2006. Our company, Lutheran Music, has no relationship with Augsburg Fortress.

HYMN COMPOSER COPYRIGHTS

Lutheran Music fully respects the copyright restrictions of each hymn published in our collection. Except for the copyright claims regarding our own intellectual property (see next section, below), our products contain public domain materials only. All copyright-restricted material that is the property of the hymn composers is omitted from our products and online demonstrations.

LUTHERAN MUSIC COPYRIGHTS

Original work contained in *A Collection of Lutheran Music* is the intellectual property of the editor and composer, Mr. Donald L. Vossler. Printed materials, computer disks, and electronic computer files may not be copied or redistributed, except for the personal use of the original purchaser. The structure, layout, and appearance of our products are secured under our copyrights. The harmony chord settings featured in a number of our products are also covered under our copyrights.

Notwithstanding the foregoing, purchased materials may be used by purchasers in support of worship services and fellowship activities as long as copies of the materials are not unreasonably proliferated.

OneLicense.net and CCLI licenses are not needed to use Lutheran Music products.

COPYRIGHT ELEMENTS

Each hymn has three elements which may have differing copyright restrictions: the *text* (lyrics), the *tune* (melody), and the *setting* (SATB harmonies). Our company's products make no use whatsoever of the settings printed in the hymnal; we use only the text and the tune elements.

Considering the text and tune elements only, there are four combinations of copyright restrictions that may apply to a single hymn: 1) both the text and the tune are public domain; 2) the text is copyright restricted and the tune is public domain; 3) the text is public domain and the tune is copyright restricted; and 4) both the text and the tune are copyright restricted.

The tables on the next page list the ELW hymns in each of these four categories and describe the resulting limitations placed on our products by the copyright restrictions.
