This DVD collection contains pipe organ music videos featuring “sing-along”, highlighted, hymn lyrics synchronized with the music. The video tracks follow the order of hymns found in the hymnal ‘Evangelical Lutheran Worship’ published by Augsburg Publishing in 2006.

When a DVD is initially loaded, a screen of thumbnail images is displayed. Clicking a thumbnail image directly starts playing a the hymn selected. Arrows at the bottom of the screen allow paging to subsequent thumbnail screens.

Each video begins with a short lead-in musical introduction, followed by the hymn stanzas, and concludes with an appropriate “Amen”. The melody of each hymn is repeated according to the number of stanzas printed in the hymnal. For example, Hymn #244 is on DVD-01, thumbnail ‘elw244’, and plays four stanzas, matching the number of stanzas printed in the hymnal.

Hymn lyrics and music with copyright restrictions are omitted from this DVD as indicated in the hymn title listings by an unfilled square.
