## Our Vision

Wherever Christians gather together to worship and praise God, we sing songs—songs that express our guilt due to sin, our contrition and confession, and our faith, hope and joy of God's grace and salvation.

The goal of *A Collection of Lutheran Music* is to help Christians praise God with music and song. The collection provides various products as supplements to the common Lutheran hymnals. It is aimed at increasing the number of people who can enjoy listening to and playing this cherished music.
