WIE SCHÖN LEUCHTET

1 O Holy Spirit, enter in, and in our hearts your work begin, and make our hearts your dwelling. Sun of the soul, narrow way, with wisest counsel guide us; and give us steadfast and strife, be in us strongly burning, that we be faith-

O Light divine, around and in us brightly shine, your strength fastness, that we may follow you forever free, no maternal unto death and live in love and holy faith, from you in us upwell-ing. In your radiance life from heaven now is ter who rides us. Gently heal those hearts now broken; give some true wisdom learning. Lord, your mercy on us shower; by your given over flowing, gift of gifts beyond all knowing. token you are near us, whom we trust to light and cheer us. power Christ confessing, we will cherish all your blessing.
